TUCK'S POST CARD

CARTE POSTALE — POSTKARTE

By Appointment.

The Houses of Parliament with Westminster Hall form a single pile of buildings on the north bank of the Thames, erected in 1840 from Sir Charles Barry's design. The earlier Palace of Westminster was burned down in 1834. In the Clock Tower next to Westminster Bridge hangs "Big Ben," a bell weighing 13 tons. Westminster Bridge is one of the handsomest in London, and was erected in 1856-62.

I wonder if you got in to bed with Father this morning & if you woke him up in time for breakfast. You would be glad to have Minnie back. I hope you are helping her all you can. I have had such a nice sleep this afternoon & thought of you all when I was in the train.
Best love from Mother
